# Heavy Jap Attack Halted

## British Forces Throw Full Weight at Main Jap Army

### Our Daily Bread

By NEA Commentator  
WILLIS THORNTON

Let's Not Kid Ourselves  
Power and Responsibility — Twins

Because a 56-year-old man who insisted on boxing with heavyweights, running a quarter-mile in close to a minute, and swimming rivers suddenly dropped dead of a heart attack, some amateur strategists assume that the German high command is falling to pieces.

### Oil Commission Fixes Rules of New Oil Field

#### Fourteen New Drilling Permits Granted, Three Others Pending

LEWISVILLE, Ark.—Arkansas' Oil and Gas Commission members met in special session here Thursday to fix rules and regulations for the newly discovered Midway field, seven miles north of Lewisville—a field that, in the opinion of competent oil men, may be one that will rank along with Smackover and perhaps compare second in importance only to the great East Texas field.

Chairman O. C. Bailey and members of the commission decreed that wells in the new area should be drilled in the center of each 40-acre block. They also continued their previous daily allowable order of 400 barrels for the Ed Bond No. 1 discovery well that was brought in by the Barnsdall Oil company of Oklahoma in NW SW 11-15S-24W.

Allowable on the second well completed in the field will be 350 barrels daily and for each completion thereafter the allowable will be reduced 20 barrels until five wells have been completed after which each well will be allowed to make 200 barrels daily.

14 New Permits and Locations  
Early Thursday night Production Director Crowell said that 14 permits for drilling wells in the new area had been granted and that three others would be granted shortly. He explained that three applicants had failed to fully complete their applications.

The 14 permits issued for the Midway field are as follows: Barnsdall Oil company, Roberts No. 1, Dobson et al. No. 1, Bond No. 2, Bond No. 3, all in section 11-15-24; and Dodson et al. No. 2 and Creek No. 1, both in section 10-15-24; Arkansas Fuel Oil company, Creek No. 1, in section 10-15-24; R. Rutherford, for the Stamps Land Company, Inc. No. 1, in section 8-15-24; J. I. Roberts, for the Bond No. 1, section 11-15-24; E. P. Wingfield, for Rodgers No. 1, section 11-15-24; Southwood Oil Company, Inc., W. E. Hodgson, No. 1, section 18-15-28; M. M. McClain et al. No. 1, Mary E. Turner No. 1, and Mary E. Turner No. 2, all in section 12-15-24.

Barnsdall is moving in drilling equipment to begin four offsets immediately to its discovery, the Bond No. 1.

Carter Oil company's Hanes No. 2 test in the McKame field, section 31-17-23, is experiencing difficulty with stuck pipe, and operators said there will be a delay of several days before completion can be accomplished.

Three tests are rigging up in the new Midway field of Lafayette county. They are Arkansas Fuel Oil company's No. 1 Bond, J. I. Roberts' No. 1 Bond, and Barnsdall Oil company's No. 1 Dodson estate, on 40-acre spacing. The new field was discovered January 2.

Also in Lafayette county McAlester Fuel Oil company was drilling at 4,712 feet on No. 1 Jeffus, wildcat, in the McKame field. Carter Oil company was attempting to dislodge stuck casing at 7,100 feet.

Commission members attending the meeting beside Bailey included Basil Hoag, Texarkana; Ed Holleyfield and Robert Short, both of El Dorado; J. D. Reynolds, Camden; J. W. Patten, Lewisville; and R. S. Warnock, Magnolia.

Officials and engineers of Barnsdall Oil company suggested the 40-acre spacing rule and a maximum 400-barrel daily allowable.

In executive session during the lunch hour, commission members reported they pledged all gas they could possibly produce from the various fields without injuring the respective fields.

Officials of Barnsdall reported that their wildest success was capable of producing 18,000 barrels of oil daily on 40-acre spacing. The well has been on a 40-acre spacing.

### Dutch Bombers Score Hits on 8 Jap Warships

Enemy Invades Australian Territory of New Guinea, Solomon Islands

SINGAPORE.—(AP)—British, Australian and Indian soldiers who have checked the main Japanese army for three days threw their full and desperate weight into a tremendous counter offensive which blazed some 80 miles across the state of Johore.

Artillery crashed on the east Malaya coast; forward troops were fighting the Japanese in the center and in the western Malaya which held the greatest threat to Singapore; the Australians and British were locked in close quarters fighting with the Japanese.

The British command communique acknowledged that there were indications the Japanese were filtering into the coastal regions in the Batu Pahat area 60 miles northwest of Singapore but the main action was being fought out around Bukit Payong, a hill area some 9 miles north of Batu Pahat.

The Japanese were throwing planes over all sections of the front and once more raided Singapore wherein the last three days their bombs have been officially credited with killing 426 persons and wounding 1,043.

8 Jap Warships Bombed  
BATAVIA.—(AP)—Dutch bombers scored 12 direct hits on 8 Japanese warships and transports in the Macassar Straits between the island of Borneo and Celebes, it was announced officially Friday.

A communique released through the news agency Aneta said 300-pound bombs dropped directly on large warships, a heavy cruiser, smaller cruiser and large transport while dive bombers scored with their 160-pound bombs on a destroyer and three transports.

The Dutch suffered no losses it was announced.

Australian Territory Invaded  
MELBOURNE, Australia.—(AP)—Seaborne Japanese troops have invaded Australian territory, landing presumably under cover of naval guns and carrier based aircraft on the New Guinea and in the northernmost Solomon Islands, 2,100 miles from Tokyo, it was announced officially Friday.

On the mainland of Australia, now with close bomber range of the Japanese landings, blackouts were ordered in all cities, militia manned the beaches and a million gas masks were ordered from Britain and the national holiday, Australian day, January 26, was cancelled under emergency defense regulations.

Where the Japanese landed on New Guinea was not disclosed immediately.

Deputy Prime Minister Frances Forde announced that the only confirmed landing in the Bismarck Archipelago west of New Guinea was at Kieta, principal city on Bougainville at the northern end of the Solomon Island chain.

### Must Buy Auto Tax Stamps by Feb. 1

The owner or operator of an automobile, a truck or a motorcycle using the public highways must have affixed to his motor vehicle not later than February 1, 1942, a Federal use tax stamp. Failure to do so makes such owner or operator liable to the penalty provided by law.

Stamps are now on sale at any post-office or office of collector of internal revenue at a cost of \$2.09 for the five months period ending June 30, 1942.

Avoid the rush and the penalty by purchasing your stamp at once.

### Axis Recapture Agedabia in Counter Thrust

Russians Continue to Push Nazis Back at Rate of 7 Miles Per Day

CAIRO.—(AP)—General Erwin Rommel's mechanized desert army, apparently making a desperate new bid for Axis re-conquest of eastern Libya, has recaptured Agedabia in a thrust 90 miles northeast of El Agheila where the Axis forces made their final stand, the British announced officially Friday.

Indicating strong aerial reinforcements had bolstered Rommel's counter attack the British Middle East headquarters' war bulletin said the Axis advance was "strongly covered by German and Italian bomber aircraft with fighter protection."

The communique said the Axis forward movement was continuing and declared that "light forces of Britain's 8th army had withdrawn to positions east of Agedabia."

Surprise Attack  
LONDON.—(AP)—Advancing behind the curtain of a blinding snowstorm Red army units Friday night were reported to have launched a surprise attack on German positions in the 40 mile sector between Novogodod and the Moscow-Leningrad railway in a drive to flank the Leningrad besiegers.

Advance 7 Miles Day  
MOSCOW.—(AP)—Russians, pursuing the German forces in flight from the Moshaisk salient before Moscow, have pushed 23 miles west of Moshaisk, establishing a rate of advance of from 5 to 7 miles a day since Moshaisk was taken.

The Red army was repeating in many localities the triumphs their forebears scored against Napoleon in 1812.

Front line dispatches said that while there was alarm and confusion in the ranks of the retreating forces the Germans were still fighting stubbornly in many sectors.

At Borodino, a dozen miles west of Moshaisk, it was said the Nazis burned the famous napoleonic museum, destroying relics of the battle which Napoleon fought there.

Japs Confident  
TOKYO.—(Official Broadcast Reported by AP)—Foreign Minister Shigenori Togo told the house of representatives Friday that at the very outset of the war in the Pacific Japan had received assurance from the Soviet government that Russia would observe her neutrality pact with Japan to the letter.

Premier Gen. Hideki Tojo said: "War is not won by money" and expressed confidence that Japan's resources in training manpower would offset the material resources of the United States.

Benefit Cage Game at Blevins Friday  
Friday night, January 23, there will be at Blevins gym two of the most interesting ball games of the season.

Blevins will meet the Gurdon team with the net proceeds of this game going to the Infantile Paralysis campaign.

Hope Boy Enters School on Aircraft  
FAYETTEVILLE.—Albert Jewell, Hope student at University of Arkansas was one of 47 male students to be given honorable discharge from classes to join the armed forces or take a defense job. Jewell is at an aircraft school.

The Romans introduced the bag-pipe into the British isles.

### Singapore Bombed by Japs

NEA Service Telephone

Air Raid workers clean debris from the sidewalks in front of a bomb-scarred modern building in Raffles Square, in Singapore, after the first Japanese air raid on that city.

### Argentine, U. S. Leaders Confer

Holdout Republic Submits Proposal to Conference

RIO DE JANEIRO.—(AP)—Argentina's foreign minister Dr. Enrique Ruiz Guinazu held a half-hour conference Friday with the heads of Brazilian and U. S. delegations to the Pan-American conference and it was learned on good authority he had submitted an Argentine counter proposal for the rupture of relations with Axis nations.

The counter proposal, the source said, had been drafted by Ramon S. Castillo, acting president of Argentina. The Argentines Thursday balked at the present wording of the conference's anti-Axis resolution.

Conference leaders were expected to meet immediately to consider the Argentine proposal, the provision of which was not disclosed.

### Lewisville Man Treated Here

Suffers Slashed Throat Following Fight Thursday

Claude Chibness, about 53, of Lewisville was reported by Josephine hospital attendants here to be "doing very well" following a fight in which he was severely slashed on the neck.

Lafayette county officers said the wound was inflicted by Lewis Watwood, 22, also of Lewisville following a quarrel over money. Cue Seward also suffered a slight neck injury inflicted by Watwood.

Chibness was brought to the hospital here late Thursday afternoon where attendants said he would recover.

Watwood was arrested and jailed, Sheriff O. Griffin of Lafayette county announced.

The Federal Bureau of Investigation secured 83 convictions of crimes along the high seas in the last fiscal year.

### Says U. S. Must Control Air

House Committee Takes Up Plane Proposal

WASHINGTON.—(AP)—The house heard an appeal Friday for speedy action on a \$12,325,872,474 appropriation for 33,000 new planes to help achieve control of the air over the Russian front, the Mediterranean, and the Pacific for the U. S. and its allies.

Opening debate on the unprecedented appropriation—the largest single military fund in the history of congress—Chairman Cannon (D. Mo.) of the House Appropriations committee told his colleagues:

"Until we have secured control over the Russian front, the Mediterranean and the Pacific we cannot begin our first step toward winning the war."

### N. L. R. to Play Here Friday

Ouachita Easily Whips SPG All-Stars 78 to 20

The Ouachita College Tigers easily defeated the SPG all-stars 78 to 20 here Thursday night before a large crowd in a Red Cross benefit contest.

The champion Tigers looped the basket almost at will and held the all-stars to three points in the last half. Red Cross officials announced the game netted the organization \$46, all of which went directly to the Hemphstead county quota.

The Hope Bobcats play the strong North Little Rock Wildcats here Friday night at 7:45 in a conference contest.

### Barlow to Re-Open Its Dining Room

Clay Hairston, owner of the Barlow Hotel, announces the reopening of the Hotel Barlow Dining Room Sunday, January 25th. The dining room has been closed for several months.

### State Board Denies Patmos Proposal

LITTLE ROCK.—(AP)—The State Board of Education Friday denied the Patmos School District No. 9, Hemphstead county, permission to incur \$2,500 temporary indebtedness on grounds that it obligates the district beyond ability to pay.

Submarines can stay at sea as long and travel as far as battleships.

### Keys Stolen From Autos

Local Persons Warned to Take Keys From Cars

The Hope police department Friday urged all drivers to remove the keys from their automobiles when parked, following a series of thefts in the downtown area.

Several sets of automobile keys have been reported stolen in past few days with four sets reported lost Thursday.

The department also reported the theft of two automobiles owned by Herman Downs and M. L. Smith, both of Hope, who stolen from a repair shop.

Police also were looking for the driver of a Buick automobile pulling a trailer who late Thursday afternoon drove off with \$20 in cash and gasoline during a busy hour at the Bundy service station. The driver pulled a \$20 bill to pay for gasoline bought and drove off with both the large bill and \$18 in change while the astonished attendant was making out a receipt.

### Proving Ground 97% Complete

Based on Facilities Which Could Be Used

Based on a state at which all facilities may be effectively used, the Southwestern Proving Ground is now 97 per cent complete. This percentage does not represent a complete "turn-key" job, but reveals that 97 per cent of the work necessary for putting the project into use has been accomplished.

On a 100 per cent basis, or a "turn-key" job, completion of the Proving Ground is 89 per cent complete to date.

In summarizing the progress of construction on the project, officials released the following information: 26 facilities are 95 per cent complete; 45 facilities are from 85 per cent to 94 per cent complete; 23 facilities, from 60 per cent to 84 per cent; 12 facilities, less than 60 per cent complete. This picture reveals the fact that excellent progress is being made. The spring-like weather that has prevailed this week has been a contributing factor in speeding up construction on the various facilities.

Speaker Sam Rayburn rang the school bell an auspicious buildings to help pay for his education at East Texas Normal School.

Molotov, the Soviet Commissar of Foreign Affairs, was one of the editors of "Pravda" where it was founded.

### U. S. Forces on Batan Repulse Enemy Thrusts

MacArthur Says Jap Assaults Continuous Without Regard to Losses

WASHINGTON.—(AP)—General Douglas MacArthur reported to the War Department Friday the repulse of all Japanese attacks on the Batan Peninsula in the Philippines which, he said, had been extremely heavy in the past 24 hours.

The War Department said in a communique that apparently the enemy was making continuous assaults without regard to losses with intent to crush the American-Philippine defenders by sheer force of numbers.

Strong Jap Reinforcements  
Japanese assault troops have been strongly reinforced, the communique said.

Meanwhile reports from the southern Philippine island of Mindanao, more than 500 miles south of the struggle in Luzon, were that the Japanese had organized a local military force composed of some 10,000 Japanese residents in that locality.

Davao is Invasion Base  
Davao on Mindanao is a city populated largely by Japanese who for years have dominated the production of Manila hemp. Early in the invasion the Japanese made Davao a base of offensive operations against Borneo and other parts of the Netherlands Indies.

"General MacArthur is in receipt of a message from Gen. Sir Archibald Wavell, formally congratulating him and his command for their magnificent defense of the Philippines," Friday's communique said.

U. S. Flyers Down 17 Planes  
RANGOON.—(AP)—American and British fliers smashed a mass air raid by more than 60 Japanese planes on the Rangoon area Friday and shot down at least 17 enemy planes.

The air battle saw the Yankee volunteers go sailing into the formation of enemy bombers and action that brought the Japanese fighter planes escorted down from cloudbanks into dogfights. The bombers were forced to dump their loads to escape the sharp-finned American built Tomahawk (Curtis) planes.

### Quota of Red Cross in Sight

Chairmen Report Contributions of \$3,900 Friday

The Hemphstead county Red Cross emergency relief campaign neared its quota here Friday when officials reported total deposits of \$3,900, only \$100 short of the quota.

The employees of the W. E. Callahan Construction company turned in contributions of \$1,315 it was announced. Previously employees of the CQM, Architect-Engineers and other Southwestern Proving Ground units released contributions of \$800.

The benefit basketball game between the Ouachita Tigers and an SPG all-star team netted the Red Cross \$46.75. The college eagles paid their own expenses to Hope and the referees officiated free.

The operating division of the Frisco railroad went one hundred per cent with employees donating a half day's work.

Red Cross workers urged that persons turn in their contributions as soon as possible as every effort is being made to close the drive Saturday.

### Willisville Cagers to Play Hermitage

The Willisville boys and girls basketball team will play Hermitage at Walden next Wednesday night. The Hermitage teams have won the District 8 title for the past several years.

Last week the champion Byng, Okla., girls team defeated the Willisville girls 51 to 39 in a fast free scoring contest Evelyn Casey and Louise Marelle used almost every shot in the book to score 42 points for the visitors.

The first national billiard match in the United States was played at Detroit in 1859. The stake was \$15,000.

laid down for you by those in charge of civilian defense?

4. If an air raid warden comes to your home for any reason, should you treat him with courtesy and respect?

5. If you are on a bus or street car when an air raid alarm is sounded, should you take your turn in getting off or try to push ahead of those near you?

What would you do if—  
You are home ready to go to a party when an air raid alarm sounds—  
(a) Stay where you are until the all clear is sounded?  
(b) Telephone your hostess to explain you will be late?  
(c) Go on to the party as you are for the all clear?

Answers  
1. No. Don't say anything to frighten children unnecessarily.  
2. No.  
3. Yes.  
4. Certainly.  
5. Take your turn.

Best "What Would You Do" solution—(c). The Office of Civilian Defense asks civilians to stay home in an air raid.

**Oil Commission**  
(Continued From Page One)

400-barrel daily allowable since it was brought in.

Alec M. Crowell, production manager for the Oil and Gas Commission, said that today Arkansas fields were capable of producing 500,000 barrels of oil daily without losing much pressure for a period of 90 days.

Chairman Bailey announced that he had received a telegram from Harold Ickes informing him that the state's daily allowable had been fixed by the federal government at 74,500 barrels of oil. The state is producing approximately that much crude at this time.

Some half a dozen of the wells will be drilled by Barnsdall, while others will be put down as far as half a mile from the well.

Chief speaker at the afternoon session was E. O. Buck, deputy oil coordinator for the third district.

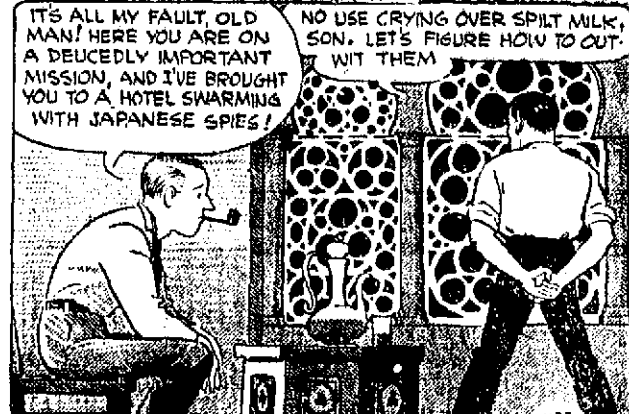

He explained that operators drilling in wildcat territory would be given priority preference for needed equipment inasmuch as new oil fields are needed by the nation for production.

The Lewisville high school auditorium that if they would skip a section in spacing regulations and try for another well outside that area it would be regarded as wildcat territory.

He explained that if 20-acre spacing was the rule, an operator could gain priority by drilling one well on a 40-acre tract, skipping a tract and drilling another well in the next 40.

## Social Calendar

Orange, Texas.

**Green-Kennedy**  
The marriage of Miss Alice Louise Kennedy of Houston and Carl Victor Green of Beaumont was solemnized at 5 o'clock the afternoon of January 1, at the Woodlawn Baptist church, Houston, Texas, with the Rev. W. M. Harrell officiating.

Before the ceremony, Mrs. Roy Simmons, organist, gave a program of musical music and accompanied Mrs. Ruth Pugh, who sang "Because." The traditional wedding marches were used for the processional and recessional.

The bride, who entered on the arm of her father, Oscar E. Kennedy, was lovely in a spring costume of blue wool with fox fur trimming and a matching spring hat. Her corsage was of white carnations.

The bride's only attendant was her cousin, Miss Kathleen Bernard, of Houston. She wore a blue crepe made with dusty rose accessories.

David C. Jones of Bryan was best man.

The bride is the only daughter of Mr. and Mrs. O. E. Kennedy and the granddaughter of the late Senator John E. Linn.

She attended Texas State College for women at Denton.

Mr. Green, son of Mr. and Mrs. George Green of Hope, Ark., is a graduate of Hope High school and is receiving his degree in Electrical Engineering from Texas A. and M. college at College Station. For the past several years he has been connected with Halliburton Oil Well Cementing company.

Following the ceremony, Mr. and Mrs. Green left on a brief wedding trip, after which they will be at home in Beaumont.

Among the out-of-town guests at the wedding were Mrs. George Green of Hope, Ark., Mrs. John T. Williams of Texarkana, Mrs. John E. Linn of Bay City, Mrs. Irving Jones of Lubbock, and F. M. Kennedy of Marfa, Texas.

## Personal Mention

Miss Mary Lemley is the guest of her sister, Mrs. Fred Ellis, and Mr. Ellis in Little Rock this week.

Mrs. Orle Reed and Mrs. Leo Robins motored to Arkadelphia Thursday to visit friends. Mrs. Reed was the guest of Mrs. Howard Abraham, and Mrs. Robins visited Mrs. N. W. Denty.

Mr. and Mrs. Rummel Young are spending Friday in Little Rock.

Mrs. C. A. Haynes departed by train Thursday night for Boston, Mass.

Mr. and Mrs. C. C. Lewis are home from Dallas, where Mr. Lewis attended the spring markets.

The members of the Woodman circle drill team accompanied the state manager, Mrs. Tressie Goldstickler, and Mrs. Eva D. Taylor to Texarkana Wednesday night to assist in the installation of the Texarkana Grove officers.

Dick Katch will spend the weekend in Little Rock.

Mr. and Mrs. Cecil Dennis announced the arrival of a little son, Cecil Watson Dennis, Jr., on Thursday, January 22, at Julia Chester hospital.

Mr. and Mrs. Joe Black are the parents of a son, born Tuesday, January 20 at Julia Chester hospital. He has been named Joseph Black, Jr.

Friday morning, January 23 a son was born to Mr. and Mrs. James McLarty at the Julia Chester hospital.

Mr. and Mrs. A. C. Reedy have announced the arrival of a daughter this week at the Julia Chester hospital.

Friends of Mrs. N. W. Page will be happy to know that she is rapidly recovering from a recent appendectomy at the Julia Chester.

**Fire Department Used to Be No. 1**

**NEW YORK**—The ranking ambition among nine-year-old boys in the Boys Club of New York is to be an aviator. In a survey 42 per cent showed they want to be pilots in the armed forces. Seven per cent want to be baseball players and six per cent favored the football field.

Joe DiMaggio was the boys' No. 1 hero, chosen by 62 per cent. Joe Louis ran second with 13 per cent.

## Soldiers' Great White Way in Iceland

A company street in an American camp in Iceland looks more cheerful than most scenes of that bleak island outpost. U. S. Army Signal Corps photo from NEA Service shows lights shining from dome-shaped shelters housing American forces.

## Local Church to Show Picture

**'News Parade,' Religious Film, at Garret Church**

The life of the Apostle Paul, in dramatic story form, is to be shown in the Garrett Memorial Baptist church this Saturday night at 7:30. Preceding this film, a modern all talkie, depicting the outstanding world events will be shown. In this film such world wide events will be shown, as the U. S. in Iceland; Historic Sea Battles; the Balkans invaded; Roosevelt - Churchill meet; Short talk by the President; France's Tragic Fate; Russia's Fight; U. S. Defense Groups; Syria-Iraq Captured; Canadian Smash Spitzbergen; and Other World Events. These scenes are top of the news of 1941, which have made world-wide history, to be remembered by every American, and which every American should see again and again. Actual sea battles and land fighting are to be shown with this news reel.

Also, a safety film called "Remember Jimmy," with many spills and thrills will be shown, and a scientific film on the convicts of alcohol, as it affects human, animal and plant life.

The program is being presented by Rev. J. A. Williams, of Dallas, and Rev. Woodie W. Smith, of Fort Worth, Texas.

Many will recall that Rev. Williams is a former resident of this state, having been born at Searcy. He has preached in many of the churches of this section. He is anxious to meet

Visitors and friends, always welcome.

**FIRST PRESBYTERIAN CHURCH**  
Thomas Brewster, minister

Sunday school 9:45 a. m. with classes and Departments for all age groups.  
Morning Worship 10:55, with message by the pastor and special Service of Ordination and installation for 15 new deacons recently elected by vote of the congregation.

There are 3 classes with 5 in each class, one group having been elected for 3 years, one for 4 years and the third group for 5 years.

Last Lord's Day diplomas and New Testaments were awarded to 6 young people for having learned and recited the Young People's Catechism of Our Denomination.

Thirty seven of our men enjoyed Charles Comer Boyett, Albert Charles Stonequist, Effie Elise Hyatt, Ruth Ellen Stubbeman and Charlotte Tarpley.

Thirty seven of our men enjoyed an excellent Turkey supper last Tuesday night and a splendid address by Judge Tumpkins of Prescott, who spoke on the subject "The Bible and Literature."

Vesper Service, 5 p. m.  
Young people's meeting Sunday 6:15 p. m.

Auxiliary Foreign Mission Study, next Monday, beginning at 10 a. m. with noon hour 25 cent plate lunch being served at the church.

On Wednesday at 7:30 all Sunday school teachers, helpers and department heads will meet in the Philanthropic room for a Workers' Council meeting. It is important that all attend.

You are cordially invited to work on a team man," he said. "Balestier does, and all the other schools. Look! We football men have a lot of extra work wished on us. Besides practice. Brain work. Blackboard exercises. Learning the combinations. Most of the profits are reasonable. But not Oliver."

"His course isn't so hard if you really work at it, Angel," Juddy said.

"Maybe not for you. I've got no appetite for dead injuries. And besides the class work and the exam, I've got to write a thesis."

"There's an ideal!" She said. "Loren Oliver's report on his excavations must be out by this time. Why don't you write your thesis on the Tambay discoveries?"

Angel quite brightened up to it. He confided to me that he was going to lick Oliver's Wandos, and get hold of some money, and then he guessed Juddy would marry him.

Football practice started in before fall term opened. The talk was that Angel Todd was showing more stuff that ever. I've always been a grid fan; so I'd slip away occasionally to get a line on the team. I thought I might lay a few smart bets on the big game, which was against Balestier.

The Wellivers looked good to me. They were long and rangy, except in the middle of the line where they had plenty of beef. They coasted through their early games, showing plenty against light opposition, until they met Harstrom College.

Well, every coach knows there are days when a whole team goes sour for no reason at all. The sketch that our boys put on against a bunch at least five touchdowns below them in form was a vaudeville skit.

Was Angel sunk when he came over to dinner?

"I was just as bad as any of them," he said. "Coach ought to can us all and buy a new team."

"He hasn't got the price," I told him. "And it's goofy for a man of your age to go teary over not winning one little game."

"Winning games is my business," he said. "How else am I ever going to get anywhere? If Welliver has an undefeated season and we grab off a bowl bid, I'm a good bet for All-America. Then a pro job. Or I might get into coaching. And now look at the mess!"

Juddy produced her Onward Christian Soldiers act. "I've got confidence in you, Angel, if you haven't in yourself. Want me to prove it?"

"How?"

"They had a right to go easy

## Patmos Cagers Win 15 Games

**South Hempstead Quintet Remains Undefeated**

The Patmos senior boys basketball team host the most successful season in recent years, winning 15 games in as many starts and taking two invitation tournaments.

The south Hempstead quartet defeated Stumps in an invitational and worship with us.

**FIRST BAPTIST**  
William R. Hamilton, Pastor

9:30, Sunday school assemblies by departments.

10:50, morning worship service with sermon by the pastor on "Restoration of Joy."

# Big Shakeup in Nazi Command

## Washington Wonders If Hitler Is Having Trouble

By JACK STINNETT  
WASHINGTON—Most engrossing subject of discussion in official and unofficial Washington right now is: what's cooking in the Nazi high command?

Discounting most of it as unimportant, what thinking the fact remains that officials most often right in their past predictions are privately on record that the resignations, "illnesses" and dismissals currently afflicting the General Staff are rumblings of a distant earthquake.

In short, A. Hitler is having his troubles, but plenty.

The list of German generals "busted" since the "wehrmacht" began its advance toward Berlin in Russia includes men rated by professional soldiers here as tops in the fighting man business. Military scholars have nothing but respect for such men as von Brauchitsch, von Keitel, Guderian and von Bock.

These observers don't discount unconfirmed reports of discord in the naval high command as so much superheated balloon juice, either. When

# Girdles Leaves Girls Unshaken

## Crisis Seen as U. S. Has Only Year's Supply

AP Feature Service

Pull yourself together, girls, cause this will make you shake all over.

There's a crisis coming in your life a crisis that will make Valley Forge and the Marne and Singapore look like a Sunday school picnic. You've been talking for years about doing something about your figure, remember?

Well, now it's the time to make good on that promise because in a few months you won't be able to get any outside help. There's a shortage of rubber, you know, and to keep the Army's mechanized units rolling on rubber tires, you'll have to sacrifice the girdles that have been controlling your spare tires, etc.

Present stocks of girdles and corsets will be exhausted by the end of this year and from then on, you and your figure will be on your own.

What to do about it? You can diet and whip yourself into shape that way. You can combine the rationing of automobile tires and the eventual shortage of limousine transportation with walking—not only for exercise but to get places and home again.

Or you can throw caution (and your figure) to the winds and go nonchalantly about your business and social life. There was a time back in the turbulent twenties when all girls tried to be flappers and starved themselves to their respective bones so they could move around uncorseted and unshaken.

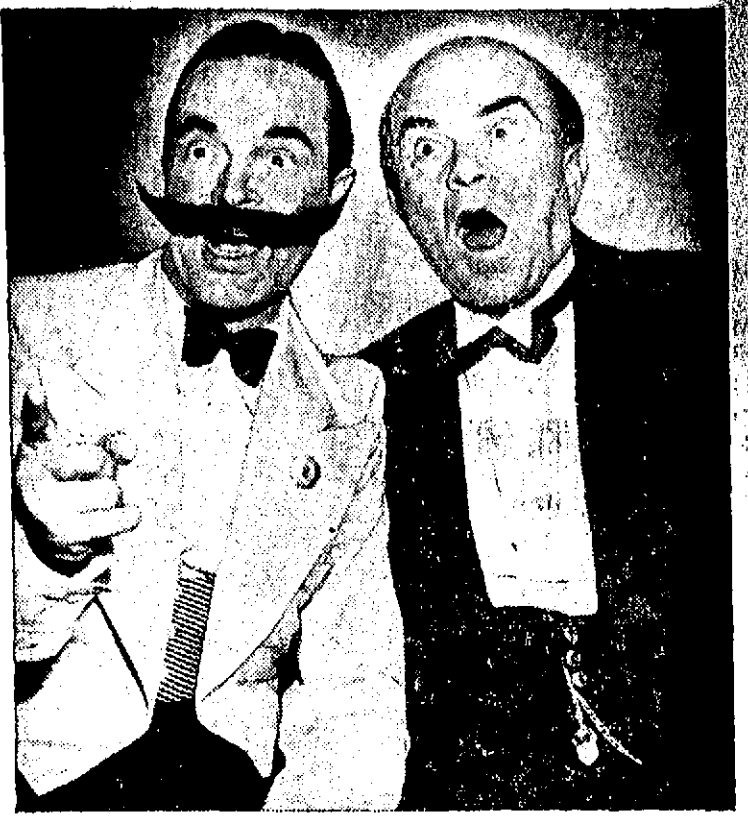

But their husbands and physicians didn't like that—for different but equally sound reasons, so that approach to our problem is not recommended.

A solution developed in England harks back and quite successfully, too, to the binders you probably swathed your newborn babies in. English women are pulling themselves together with muslin binders they make themselves.

The effect, while not as aesthetically or comfortably successful as the store-bought rubber girdles, serves to keep their bodies and souls together. And morale of the civilian populace—and what is more important to feminine morale than a good foundation garment—is proving a major element in this war.

There's no law or priorities regulation to keep you from scouring the attic for the corsets of another year.

# 'Louisiana Purchase' Opens at Saenger Theater Here Sunday

Bob Hope and Victor Moore in "Louisiana Purchase" which is slated for its premiere at the Saenger Theater on Sunday.

### But No Shillelahs?

BALTIMORE—(P)—Police received enough strange weapons from enemy aliens, following nation-wide orders, to start a museum. Among the 1,003 articles handed in were: three ancient sabers; a sword cane; a rifle carried by a German soldier in the Franco-Prussian war.

### How Not to Do It

BROOKLYN, N. Y.—(P)—Throwing money away cost a Brooklyn man another \$5. He was fined for disorderly conduct when he stood on a street corner flinging paper money into a crowd. Previously the man had been arrested for playing policeman at a busy intersection.

### How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly always the cough or you are to have your money back.

**CREOMULSION** for Coughs, Chest Colds, Bronchitis

"If Uncle Sam needs my girdle," they're saying, "he can have it. What else does he need?"

### Box Farming Cuts 38 States

WASHINGTON—(P)—The next silver found your shoulder probably came from a U. S. farm. The first silver-farming census by the government shows 2,655 silver fox farms in 38 states with a production of about three-fourths of the total on the U. S. market even before the war. Wisconsin led all the rest of the states with 493 farms producing 101,439 pelts.

### Tie Judge, a Man of Great Foresight

GREENSBORO, N. C.—(P)—A dream-eyed young man drawn for jury duty told Superior Court Judge W. W. Warlick that his mind was not on the subject at hand because he was to be married next day.

"Excused from duty," said the judge.

"And you also may need the time to get money for necessary expenses."

By HELEN HESTERLY Telephone 163

### Health Unit Clinic Started

The Nevada county Health Unit will conduct a special clinic Tuesday, February 3rd, from nine to twelve a. m. at the county health office.

These clinics will be held every first and third Tuesday mornings, and will be under the direction of Dr. W. B. Prothro, district health director of the State Department.

These clinics are for the benefit of those needing immunizations, health examinations for trachoma and venereal disease.

Due to the inability to obtain a county health nurse, it has been necessary to do without needed preventive measures. These special clinics will be used as a substitute for the regular nursing clinics and visits.

### "Food-for-Victory" Campaign Opens

Many farm families in Nevada county enlisted in the "Food-for-Victory" Campaign which opened Thursday.

The campaign is Arkansas' support of the U. S. Department of Agriculture's "Food-for-Freedom" program, calling for increased production of food and feed crops, considered vital to an allied victory in the war.

The farm families who enlisted will be given red, white and blue stickers to be placed on the windows of homes or on the windshields of cars. The stickers will state, "We have enlisted in the 'Food-for-Victory' campaign."

### Food Stamp Plan Explained

The Food Stamp plan for Nevada county will start operating on February 2, the Chamber of Commerce announced. At a recent meeting local food merchants and Surplus Marketing Administration officials made final plans to set the Stamp plan in motion. The plan will probably mean more than \$15,000 monthly to Nevada county stores. The operation of the plan was explained at a meeting of merchants at the city auditorium Thursday night.

### Mrs. Sarah McGough, 64, Dies Early Friday

Mrs. Sarah E. McGough, 64, Nevada county resident, died at her home at Laneburg early Friday morning.

Funeral services will be held at the Laneburg church at 2 o'clock Saturday afternoon with the Rev. Silvey and Rev. Erwin officiating. Burial will be in Laneburg cemetery.

She is survived by her husband, P. R. McGough, a son, Munn McGough of Laneburg, a daughter, Mrs. S. E. Loomis of San Antonio, Texas and four grandchildren.

### Society

Mr. and Mrs. J. M. Pittman have returned home after spending a few days in Memphis.

Helen Hale has been elected by the Mulierist staff of A. and M. College, Magnolia, to be editor of the annual for the remainder of the year. She is the daughter of Mr. and Mrs. Horace of Prescott.

The Thursday Bridge club met Wednesday night at the home of Mrs. Dolph Brewer, with all members present. After an enjoyable afternoon of bridge, high score was awarded to Mrs. Archie Johnson. A delicious desert plate was then served by Mrs. Brewer.

A Defense dance was given Wednesday night by the Girl Reserve and the Varsity club of the Prescott High school. The Legion Hut was very attractively decorated in red, white and blue crepe paper and balloons.

The admission for the dance was a 10 cent defense stamp for couples and a 25 cent stamp for stags. Five dollars was derived from the dance. This money will be used on the fund for a defense band to be bought by the high school.

Thomas Rea Logan, student of the University of Arkansas, at Fayetteville, has been pledged by Theta Tau, engineering fraternity.

Subscribe to the Hope Star now, delivered at your home in Prescott each afternoon, Mack Greyson, Telephone 507.

# "CAR CONSERVATION PLAN"

To conserve rubber—to make your tires last longer—have your steering and wheel alignment checked with this special equipment at your Chevrolet dealer's.

### CONSERVE TIRES—ENGINE—TRANSMISSION—EVERY VITAL PART

Chevrolet's new "Car Conservation Plan" is designed to help you keep your car serving faithfully for the duration, and invites your cooperation on the following points: (1) Observe the simple, fundamental, thrifty rules of car care, such as keeping tires properly inflated, checking battery, water, oil, etc. ... (2) Get a simple service "check-up" at your Chevrolet dealer's now, and avoid major troubles later. ... (3) See your Chevrolet dealer regularly, because periodical "check-ups" cost little, while neglect brings big repair bills. ... Remember—your car also serves in "America's Victory Program." Keep it serving well by keeping it well serviced.

### CHEVROLET DEALERS SPECIALIZE IN THESE "CONSERVATION SERVICES" for All Makes of Cars and Trucks

1. TIRE SERVICE (to conserve rubber).
2. RADIATOR (to safeguard cooling system).
3. LUBRICATION (to conserve motor, chassis).
4. BRAKES (to preserve lining, etc.).
5. MOTOR TUNE-UP (to conserve engine and fuel).
6. CARBURETOR AND FUEL PUMP (to save fuel).
7. STEERING AND WHEEL ALIGNMENT (makes tires last longer—conserves rubber).
8. BODY AND FENDER REPAIR.
9. CLUTCH, TRANSMISSION, REAR AXLE.
10. HEADLIGHT AND ELECTRICAL CHECK-UP.
11. SHOCK ABSORBER SERVICE.
